Amicus curiæ

7 March 2014

Dear Mr. Harper:

May it please the Immaculate Virgin Mary with Her Child Jesus!

In today's news report¹, we read the following:

15 "Today, our Government is taking additional measures to further increase pressure on President Putin and the Russian Federation to withdraw its troops to their bases by imposing a travel ban against a number of individuals responsible for threatening the territorial integrity and sovereignty of Ukraine," Prime Minister Stephen Harper said in a statement Friday.

20 Perhaps Your Excellency is unaware that **Her Majesty the Queen** and the **Bishop of Rome** are **Allies** for the *Rule of God's Law*, the reason for the **Magna Carta World Wars** in Europe and that the Pope granted a hundred year charter for the Federal Reserve.

Your Excellency was informed of these facts in our 29 January 2014² courtesy copy of our *Amicus curiæ* to The Honourable Mr. Barack Obama, President of the United States.

25 For Your Excellency's kind attention, please find our recent *Amicus curiæ* to Switzerland copied to the Federal Reserve, U.S. Treasury, NATO, JCS, US Navy, IMF, etc.

The Federal Reserve, the United States and the European Union are to be dissolved.

Our published Open Letters are at www.courtofrecord.org.uk

We suggest that Your Excellency clarify foreign policy decisions with the Her Majesty's Foreign Secretary William Hague.

30 Yours faithfully,

Joseph Ray Sundarsson
